

Corbin's Fun Run

2011

On July 22, 2011, the fifth annual Corbin's Fun Run, a 5-mile run and 1-mile walk, will take place at Burke Lake Park in memory of Corbin Marc Grabb of Clifton, VA. Born July 20, 2004, Corbin died of a Congenital Heart Defect (CHD) on June 29, 2006 at the age of 23 months. The purpose of the race is to raise funds to fight CHD. Most people are unaware that CHDs are the #1 birth defect in the United States. About 1 in 100 babies are born with a CHD.

Race participants are seeking to raise at least \$100 in donations, which will benefit INOVA Fairfax Hospital Tender Hearts and Children's National Medical Center in Washington, DC. We would like to ask your support by providing a donation for this very worthy cause. Please make checks payable to "CMG Heart Foundation". Your donation is fully tax deductible. To learn more about this event, please visit www.corbinsfunrun.net.
